

**Before Your Move Checklist:**

**Box It Up** - For the safety of your belongings and to help expedite your move, have anything that can go in a box packed and ready to go. Unfortunately, we are unable to move loose items.

**Appliances Going** - Please be sure to have all the appliances that will be going unplugged/unhooked, and completely cleared out. We cannot move anything that has items inside.

**On the Walls** - Please have televisions, pictures, mirrors and other wall décor or mounting appliances that are attached to the walls taken down and ready for us to move. We're unable to detach things from the walls for you.

**Attic** – We will not box up your attic for you. Please have all items that are stored in your attic taken down from the space. All items should be accessible and on the ground (be sure to box up small items).

**Disassemble/Reassemble** - We can only reassemble what we have disassembled

**Items We Can't Move-**

- Aerosols
- Flammables
- Combustibles
- Alcohol
- Guns and ammunition
- Plants

**Please have all soil emptied** out of all pots/ planters that are to be moved. If you are packing your own household goods, please pack as many of these as possible.

**Disassemble all beds.** We need these taken apart and situated for the move please.

**Cash or Credit Only** - Thanks for choosing us to be your mover. At the end of the move, please have cash or credit available for payment. We are unable to accept checks.
